A meeting with veterans of civil aviation took place at the Flight Complex of Uzbekistan Airways

2026 23 November

On the 19 of November 2026, in the assembly hall of the Flight Complex, a meeting took place between members of the Council of Veterans of Uzbekistan Airways and retired pensioners with the Chairperson of the Republican Council of Aviation Workers of Uzbekistan Alisher Mullabekov and the Chairperson of the Trade Union Committee.

The event took place in an atmosphere of open and trusting dialogue. The participants discussed topical issues of social support for the senior generation of aviators, the development of cooperation between the organization of veterans and the trade union, as well as the preservation of continuity across generations and the finest professional traditions of the industry.

UZBEKISTAN
AIRWAYS

We at Uzbekistan Airways hold deep respect and gratitude for the specialists who laid a solid foundation for the development of civil aviation of the country through many years of conscientious work. Comprehensive support for veterans and attention to these initiatives remain an important component of our social policy as the national air carrier.
