

“Uzbekistan airways” takes part in the London International Travel Trade Fair

2019 5 November

"Uzbekistan Airways" once again presents its aviation capabilities at the Uzbekistan National Stand at the World Travel Market (WTM London 2019), an international

tourism exhibition held from 4 to 6 November in the capital of Great Britain.

The 40th anniversary exhibition promises to be the most successful event uniting a huge number of professionals and creative ideas! More than 50,000 tourism professionals, 9,000 buyers, 5,000 exhibitors and 3,000 media representatives from over 180 countries are invited to join the event.

During the three-day exhibition "Uzbekistan Airways" will present its services in the field of passenger air transportation, as well as full service in this area in order to attract tourists from the United Kingdom to Uzbekistan, as well as to promote the tourism potential of our country in this region.

Along with the national air carrier, five Uzbek travel companies and representatives of the Hyatt Regency Tashkent hotel will present their services and tourism potential of our republic at a single stand of "Uzbekistan".

This tourist platform will undoubtedly become a good platform for establishing bilateral cooperation in tourism between the United Kingdom of Great Britain and Uzbekistan.

Uzbekistan Airways operates regular passenger flights to London twice a week on Tuesdays and Fridays.
