Uzbekistan Airways suspends all flights from Tashkent to Jeddah and Medina

2020 27 February

Since February 27, 2020, Uzbekistan Airways has suspended all flights from Tashkent to Jeddah and Medina due to the introduction by the Saudi authorities of a temporary ban on the entry of pilgrims and tourists from 25 countries of the world, including from Uzbekistan. The authorities explain the adoption of such a decision by the need to prevent the threat of the spread of the coronavirus COVID-19.

At the same time, we inform you that in the near future the airline will operate several flights, solely for the purpose of exporting our citizens from Saudi Arabia.

For additional information, please contact the Muslim Board of Uzbekistan by phone 71-240-39-33 or the single contact center of the airline at 78-140-02-00.
