Cancellation of flights to Frankfurt, and new rules for entering Uzbekistan from certain countries

2020 22 December

Dear passengers

According to the decision of the special Republican Commission on the fight against Coronavirus after taking into account the detection of a new strain of COVID-19, Uzbekistan Airways announces the cancellation of flights to Frankfurt on December 28, 2020 and January 7, 2021.

In addition, citizens of Uzbekistan and stateless persons who have stayed in the UK, Italy, Germany, Denmark, Austria, Australia, the Netherlands and South Africa over the past 14 days and entering Uzbekistan through third countries are subject to a 14-day quarantine at the corresponding hotel, at your own expense.

We sincerely apologize for any inconvenience caused.
