Notification for the passengers planning the departure to the Republic of Uzbekistan

2021 18 March

In accordance with the updated requirements of the Republic of Uzbekistan, passengers arriving from abroad over 2 years old must pass a PCR test for coronavirus no more than 72 hours before departure to Uzbekistan and get a negative result in Russian or English.

We recommend that passengers with children sign up for PCR testing for coronavirus as soon as possible.

Passengers without a test result issued in accordance with the requirements will not be allowed to check-in and board a flight to the Republic of Uzbekistan.
