Air traffic "Tashkent - Tel Aviv - Tashkent" resumed

2021 27 May

In connection with the improvement of the epidemiological situation in Uzbekistan and Israel, as well as in view of the planned phased restoration of the route network, “Uzbekistan Airways” JSC resumed air communication Tashkent - Tel Aviv - Tashkent. The flight on the route Tashkent - Tel Aviv - Tashkent was performed on May 24, 2021.

Regular flights will be operated once a week, on Mondays. The cost of the Tashkent - Tel Aviv air ticket starts from 4 276 000 soums. The cost of a ticket in the direction Tashkent - Tel Aviv - Tashkent starts from 5 738 000 soums (prices are indicated from the official website of the airline, taking into account the current discount of 3%).

It should be noted that foreign citizens are prohibited from entering and transit to Israel. This list does not include citizens and residents of Israel, passengers with a permit issued by the Office of Population and Immigration.

In addition, passengers and crew members who have been outside Israel for more than 72 hours, entering or transiting through this state, must have a PCR test for COVID-19 no earlier than 72 hours and get a negative result before departure from the first landing point.

Arriving in Israel must complete the "Entry report" form no later than 24 hours before the departure of the flight to Israel at: https://www.gov.il/en/service/request-entry-to-israel-covid19 and obtain an electronic permit from the Israeli Ministry of Health. In addition, passengers must have medical insurance to cover the costs of COVID-19 (does not apply to Israeli citizens and residents).

- Upon arrival in Israel, passengers undergo a PCR test for COVID-19 and can be quarantined for up to 14 days.
