Denial

2021 2 August

Dear media representatives!

We ask you not to distort the information that was published on July 30, 2021 about taking care of the health of passengers during travel.

We remind you that today, depending on the duration of the flight on board of “Uzbekistan Airways”, passengers are offered breakfast, lunch, dinner or soft drinks. On flights up to 2 hours of flight, passengers are provided with bottled water, on flights lasting more than 2 hours of flight, passengers will be offered meals, which include a hot meal. On flights in the direction of Tashkent-New York-Tashkent, two hot meals are offered.

Sincerely,

Information service of “Uzbekistan Airways” JSC.
