# Airport of domestic airlines Tashkent 3 resumes its work

**2021 29 August**

From August 31, 2021, the airport of domestic airlines Tashkent 3 will start its work and flights will be operated according to the schedule from the airport of domestic airlines.

On August 19, due to technical reasons, the domestic airport was closed.

Passengers are asked to clarify the data on domestic flights in the Airline's Contact Center, at the airport information centers, and also in “Uzbekistan Airways” social networks.
