

International exhibition UITM-2021 in Kiev has come to an end

2021 7 October

Yesterday the 27th International tourist exhibition «Ukraine» - UITM-2021 came to an end. The eventful and interesting business program of the exhibition consisted of more than 20 events, which gathered more than 2000 participants and listeners of the B2B segment. Representatives of JSC «Uzbekistan Airways» told participants about the resumption of flights between Uzbekistan and Ukraine and tourist potential of Uzbekistan. As part of the exhibition, airline representatives established links with over 100 travel organizations and tour operators.
