25% discount on air tickets for senior passengers

2021 5 November

In honor of the fact that November has been declared a "month of tourism for the elderly people", “Uzbekistan Airways” JSC introduces special discounts of 25% to the current cost of economy class air tickets for all intra-republican flights operating from November 1 to November 30, 2021. The discount is valid for men over 60 and women over 55. When buying an air ticket, you must have a passport.
