Mandatory Rules for Passengers Traveling to the United States

2021 18 November

We inform all passengers planning a trip to the United States of the need for mandatory filling before departure and the provision of a special attestation form at check-in, which is available for download at the link:

https://www.cdc.gov/quarantine/order-safe-travel.html

We also want to remind you that from November 8, 2021, the requirement came into force that all non-US air passengers traveling to the United States on nonimmigrant visas must be fully vaccinated and must provide proof of their vaccination before boarding the plane to the United States.
