The leadership of the NAC Uzbekistan Airways pays great attention to supporting young people, stimulating their aspirations, potential and initiatives, acquiring knowledge and experience in the aviation industry.

In order to fulfill the Decree of the President of the Republic of Uzbekistan dated 05.07.2017. №DP-5106 "On measures to improve the effectiveness of the state youth policy and support the activities of the Youth Union of Uzbekistan", the NAC holds monthly meetings with the management of the airline. The next open dialogue between the leaders and activists of the Youth Union of the Directorate of the NAC and the structural enterprises of the Tashkent zone was held with the leadership of the Department of Operation of Ground Structures and Airport Management .

The meeting participants were provided with an overview of the implemented measures for the construction of new terminals and the reconstruction of facilities. They also got acquainted with new projects and future plans of the airline for the modernization of ground infrastructure. Their attention was demonstrated the capabilities of the new terminal of the Termez International Airport, which was put into operation on the eve of the International Music Festival of Art of folk narrators - bakhshi, held in Termez from April 5 to April 10,2019.

It should be noted that the Open Dialogue, conducted by the NAC Personnel Management every month according to the approved schedule, has become a broad discussion platform, which enabled leaders and activists of the Youth Union of the airline to raise the most acute problems, ask questions and get answers to them.

Meetings in this format are held in all enterprises and airports of our company, and they are another form of direct contact between management and youth, giving them intelligently and wisely using the knowledge, skills and experience of the older generation in the development of the industry, promoting the image and status of the airline of Uzbekistan.
