Uzbekistan Airways announces the opening of the sale of air tickets for flights to Munich in connection with the introduction of a new regular route Tashkent-Munich-Tashkent from September 19, 2019. The price of an economy class return air ticket for Uzbekistan Airways' flights on the route Tashkent -Munich - Tashkent comes to EUR 520+. Flights on this route will be operated from April 1, 2020 on Wednesdays and Sundays.

Recall that at present, Uzbekistan Airways carries out regular flights to one of the largest economic centers in Germany, the city of Frankfurt with a frequency of three times a week on Mondays, Thursdays and Saturdays.
