On October 3, a group of bloggers from the Kingdom of Thailand's PR company arrived in Tashkent on a HY-534 flight from Bangkok. Representatives of the National Airline, the capital's air harbor and mass media greeted the guests at the International airport "Tashkent" named after I. Karimov.

Over the past half century, tourism has become one of the fastest growing and most important sectors of the economy in the world. Uzbekistan is the heart of Central Asia and an important strategic country located on the Great Silk Road and possessing great tourism potential. And the state policy in the field of tourism is aimed at transforming the tourism industry into a strategic sector of the national economy.

National air carrier Uzbekistan Airways makes its significant contribution to the development of this sector. The airline is actively engaged in activities aimed at promoting domestic tourism and attracting foreign tourists to our country. New routes are being opened, the number of flights to international and domestic destinations is increasing, and direct flights from foreign countries to the historical cities of our country are being introduced in the tourist season. Attractive tours to Uzbekistan are being developed jointly with tour operators, group tariffs are being offered and a flexible discount system is being applied.

The next project of the NAC "Uzbekistan Airways" organized by the "Uzbekistan Airways" representative office in Bangkok in cooperation with the travel agency "Dolores Tour" has become a kind of study tour for the residents of the Kingdom of Thailand in our country. A team of bloggers from the PR company of this Kingdom arrived in Tashkent today to make a kind of pilgrimage tour on the heritage of Buddhism and get acquainted with the historical cities of Uzbekistan.

From 3<sup>rd</sup> to 9<sup>th</sup> October, the working team of Thailand is waiting for a tour around the sights of the cities of our republic. Guests will travel to Termez, where they will visit the oldest architectural monuments of the era of the Kushan Empire: Buddhist monastery complex Kara-Tepe, located on the bank of the Amu Darya River, and Buddhist temple complex Fayaz-Tepe near the old Termez, dating back to the 1st-3rd centuries B.C., which is considered the first cult Buddhist building, as well as the cult Buddhist construction - the Buddhist stupa Zurmala near Old Termez, which is the first Buddhist construction discovered in Central Asia and one of the oldest Buddhist symbols rising to the mounds, will be met by a colorful sunset in the village of Baysun. Bloggers will also visit the sights of Samarkand, Bukhara, Tashkent and mountain resorts in Uzbekistan - Chimgan, Beldersay, Archazor and Charvak Lake.

Today, Uzbekistan Airways has a modern fleet of aircrafts. All the airline's flights are performed on the aircraft of the world's leading manufacturers - "Airbus" and "Boeing": Boeing 757/767, Boeing 787-8 Dreamliner, Airbus A320Neo, as well as cargo Boeing 767-300BCF. Modern and comfortable airliners "Uzbekistan Airways" fly to more than 60 routes to Europe, Asia and America, perform charter flights from Alaska to New Zealand.

And this project, aimed at promoting the tourist potential of the Republic of Uzbekistan and services of Uzbekistan Airways, will undoubtedly contribute to the increase of tourist flow to our country and

the development of the line of pilgrimage tourism.

Today the guests, after all the procedures in the arrival hall of "Tashkent" airport have been completed, will go to the local airline terminal for check-in for the flight HY-65 of Tashkent-Termez by direct transfer.
