

★ 자가진단 앱 최신 버전 확인 방법 ★

출발시간(한국시간 기준) 2020년 3월 15일 0시 이후 출발하는 비행기는 공항 발권 또는 탑승 시 자가진단 앱(App) 최신버전(v2.0 이상)을 설치했는지 반드시 확인하세요

1 앱을 실행시켰을 때 "특별검역 신고 화면"이 나타나면 **점선 사각형의 배경색**을 확인하고, 최신 앱이 아니면 기존 앱을 삭제하고 최신 앱 설치

2 앱을 실행시켰을 때 "자가진단 하러가기"가 나타나면 **점선 사각형의 배경색과 앱 버전**을 확인하고, 최신 앱이 아니면 기존 앱을 삭제하고 최신 앱 설치

How to check for latest version make sure the self-diagnosis App is up to date

Passengers on flights departing after 00:00 on March 15, 2020 KST should check that the latest version(2.0 or higher) of the self-diagnosis app is installed at the time of airport ticketing or boarding.

1 When the agent executed the App, if it shows "Special Quarantine Declaration", please check the dotted line rectangle changed. If not, please let the passenger reinstall the latest App.

2 When the agent executed the App, if it shows "Start self-diagnosis", please check the dotted line rectangle changed(App version). If not, please let the passenger reinstall the latest App.
