

How to get Tax Free in 3 simple steps

Clear sequence of actions for
a successful refund.

1. Buy and take a receipt with a QR code

For registration in the system, a fiscal receipt with
a matrix barcode is required.

2. Download the Soliq app and register

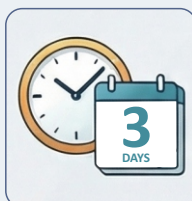

Simple registration for foreign citizens in
the app. It is important to register the
purchase in the app no later than 10 calendar
days from the date of purchase.

3. Show the product, passport, and boarding pass at the airport

A Tax Free employee will check the integrity of the packaging
and documents before departure.

Updates from April 1
