Uzbekistan Airways Joint Stock Company uses cookies for the correct functioning of the corporate website. Some of the cookies are used to analyze and improve the user experience. The corporate website of the Uzbekistan Airways Joint Stock Company makes a distinction between cookies, which are absolutely necessary for the technical capabilities of the website and optional ones. The amount of personal data collected by cookies is processed in accordance with the provisions of this Privacy Policy.

Cookies are small pieces of data containing letters and numbers that are sent by a web server (such as a web server www.uzairways.com) on the user's computer, smartphone, tablet or other devices with access to the Internet used to visit the website. After cookies are stored on the user's device, the website server can recognize the device being used.

The airline's website uses different types of cookies, which serve different purposes. Depending on the purpose, cookies may fall into one of the following categories:

- "Essential cookies", i.e. cookies that are strictly necessary for purchases and reservations on the corporate website of the Uzbekistan Airways Joint Stock Company;
- "Functional cookies ", i.e. which allow you to browse the website and use its features, record information about the selection and customize the website according to the needs of the user. For example, such as saving user-entered information and the preferred language;
- "Analytical/statistical cookies", that help to improve the performance of the website and make it more user-friendly. They retrieve the information about the quality and/or effectiveness of the services.

If the user refuses to use cookies belonging to the category "Essential", some functions of the website may become unavailable.

Cookies can be persistent or session ones.

Persistent cookies are stored by the browser and remain active until the expiration of the retention period:

- at the end of the session (for example, when the browser closes);
- the expiration date has been specified and the retention period has expired;

- the browser has deleted cookies at the user's request.

Session cookies expire and become invalid.

Corporate website of Uzbekistan Airways Joint Stock Company <https://www.uzairways.com> and all its subdomains use both session and persistent cookies.

Uzbekistan Airways Joint Stock Company provides the organization and control of all activities related to the processing of personal data.

Personal data is processed, both manually and automatically, by collecting, recording, systematization, accumulation, storage, clarification (updates, changes), extraction, use, transfer (provision, access), deletion, destruction of personal data. Access of employees of the Uzbekistan Airways Joint Stock Company to the collection, processing, and storage of personal data is carried out in strict accordance with the official powers and organizational and administrative regulations of the Uzbekistan Airways Joint Stock Company.

Processing and storage of personal data of customers of the Uzbekistan Airways Joint Stock Company are also provided through automated systems of partners of the Uzbekistan Airways Joint Stock Company, providing specialized software solutions to support its commercial and industrial activities, as well as by financial institutions providing payment processing services. The partners of the Uzbekistan Airways Joint Stock Company equally undertake to provide an appropriate level of reliability of collection, processing, and storage of personal data of customers.

In case of transition of users of the corporate website of the Uzbekistan Airways Joint Stock Company to third-party websites by external links (including resources of payment systems), Uzbekistan Airways Joint Stock Company is not responsible for ensuring confidentiality of personal data of third-party websites. Uzbekistan Airways Joint Stock Company requires all its partners to take strict measures to ensure confidentiality and data protection.

Period of retention and period of exploitation of personal data are defined by applicable laws and regulations regarding operating automated systems used by Uzbekistan Airways Joint Stock Company, international standards, that define the order of registration, processing and storage of records, and ensure the execution of contracts of carriage containing personal data, as well as technological documents of the Uzbekistan Airways Joint Stock Company

In order to facilitate the provision of certain services to its customers, the Uzbekistan Airways Joint Stock Company transfers personal data to third parties, including customs and immigration authorities, other airlines, airports, and providers of additional services.

Uzbekistan Airways Joint Stock Company does not sell personal data to third parties and does not provide any opportunities for the third parties to send their marketing information to the airline's customers.

Uzbekistan Airways Joint Stock Company may transfer the collected personal data, in whole or in part (name, passport number, travel information, etc.), in order to comply with the contract of carriage or certain requirements of the legislation of the states to which it operates the flights. In case of

transfer of personal data to a foreign country, the procedure for processing of personal data will be governed by the legislation of the relevant state.

Uzbekistan Airways Joint Stock Company may transfer personal data of customers to the authorized state and law enforcement and other authorities of the Republic of Uzbekistan and foreign countries, in compliance with the relevant legislation.

Customers and partners of the Uzbekistan Airways Joint Stock Company can submit their claims regarding the processing of their personal data or initiate the procedure of withdrawal of their consent to the provision of personal data.
